ADVERTISING OPPORTUNITIES
with Ole Miss Campus Recreation
WELCOME TO OLE MISS CAMPUS RECREATION

Our MISSION
Campus Recreation provides outstanding services, inclusive programs, and educational opportunities to empower the University of Mississippi community in the pursuit of lifelong well-being.

Our VISION
The Flagship: The term flagship is used in common vernacular to identify the most important or leading member of a group. It has also come to be an adjective describing the most prominent or highly touted product, brand, location, or service among those offered by a company. Flagship universities are typically recognized as the best-known institutions in the state.

At Campus Recreation, our vision is to be The Flagship. We want to be recognized as one of The Flagship departments at the University of Mississippi. We want to be viewed as The Flagship university recreation program in the state. We want to be considered one of The Flagship collegiate recreation departments in the nation. We would want our staff to be dedicated to this concept of being The Flagship, a premiere organization dedicated to high performance and recognized for excellence.

Businesses or organizations portraying messages or selling products/services not in line with Campus Recreation’s mission and vision will not be eligible to participate in advertisement opportunities. Final decisions about partner eligibility are made by the Department of Campus Recreation.

All advertising agreements require a Memorandum of Understanding (MOU) prepared by the Department of Campus Recreation. The payment deadline will be outlined in the MOU. The Department of Campus Recreation will produce all banners and signs.
FACILITIES

Turner Center
Ole Miss has indoor and outdoor facilities available to the students and the University community for recreational use. The Turner Center, a 155,000 sq. ft. facility opened in March of 1983, is the focal point for indoor recreational opportunities. Although many of the facilities are used for academic purposes, sufficient time is allocated for structured and unstructured recreational use.

Outdoor Sports Complex
Community and recreational usage is not tracked at the OSC (intramural fields, sport club fields, pavilion, and disc golf course). The OSC is used by Greek life, student organizations, Army ROTC, disc golfers, University athletic camps, high school camps/team practices, and Ole Miss football tailgaters (RVs). The road that runs directly by the OSC is a highly traveled route from West Jackson Avenue to campus.

Rebel Challenge Course
The challenge course includes a high and low ropes course located on Insight Park Avenue just up the hill from the OSC. The challenge course hosts a wide variety of students groups, university programs, community organizations, birthday parties, and local businesses.

South Campus Rail Trail
The University of Mississippi owns the land located just south of Highway 6 and just west of Chucky Mullins Drive. The trail provides a recreational experience for students, faculty, staff, and Oxford-Lafayette County community members who walk, run, and bike on this trail.

South Campus Recreation Center
The South Campus Recreation Center includes a renovation of the old Whirlpool factory building to house about 100,000 sq. ft. of recreation space unique to Ole Miss. This area will also include a transportation hub and parking services. The facility will open in 2019.
